### **What does it mean when**

we say, "A Changing Perspective?" A dictionary might tell us that a perspective is a specific point of view in understanding or judging things and events, but there is more to life than a defini-

tion found in a book. "A Changing Perspective" could be the way our college has transformed itself over the years from an all women's finishing school to a coeducational private college, or the physical changes to the campus. More truly though, "A Changing Perspective" refers to us, the students of LaGrange College, and the many ways we see the world around us. The student body of this college has become one of many races, cultures, countries, religions, and generations with equally diverse points of view. Our diversity continually forces us to reevaluate our global vision. More personally, "A Changing Perspective" also means the way we perceive issues, places, people, and most importantly ourselves. As our world continues to evolve and change, so too will our perspectives.

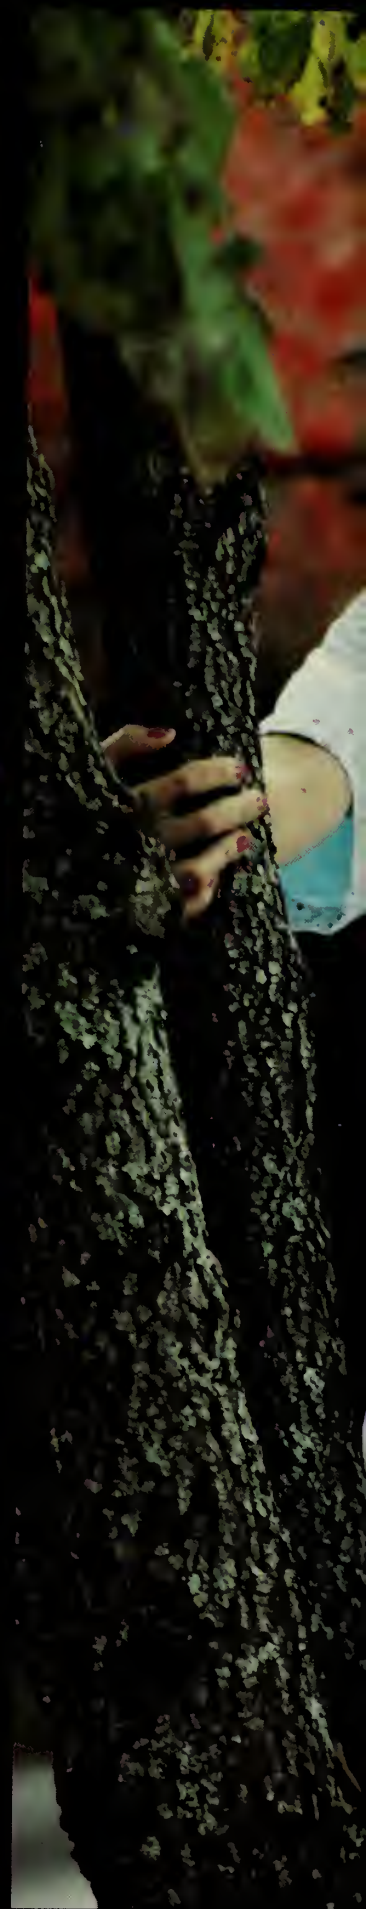

**On April 1, 1992 through**  
the generosity of the  
Callaway Foundation,  
LaGrange College history  
was changed forever. The  
once land-locked campus  
suddenly grew to include the  
former Callaway Education

Association land and buildings — a pool and cabana, an auditorium, a second gymnasium, two softball fields, six tennis courts and a new home for the growing music department in the Callaway Education Building. The largest single contribution in the history of the college doubled the size of our campus overnight. With this magnificent gift, our perspective altered to include new educational opportunities in both academic and co-curricular programs. Future plans for the Callaway campus include extensive pool renovations and additions, adding a soccer field, a baseball diamond and a state-of-the-art fitness facility. A new era in the life of the college is beginning now and will continue for generations to come.

### **For over twenty years**

LaGrange College sociology students have been reaching out to the surrounding community in the form of the volunteer program. Recently though, helping those in need has become

more of a way of thinking than just a part of class. Fraternities, sororities, Wesley Fellowship, Baptist Student Union and other campus organizations have been incorporating philanthropy into their activities. Beginning two years ago the College 101 program also included volunteerism as a part of its curriculum. Why are we so interested in helping other people? Ms. Judy Burdett of the sociology department feels that "a person learns something about himself in relation to his fellow man by helping other people." From such well-publicized projects as rebuilding hurricane ravaged homes in Florida to the more personal moments of visiting the elderly in local nursing homes, we students of LaGrange College continue to demonstrate a concern for the world and not just ourselves.

**Who is a nontraditional**

student? As our college community continues to change, so too does the composition of our student body. The nontraditional student is often a little older, works full-time and

may have a family. The nontraditional student may be from another country and seeking new experiences at LaGrange College. The nontraditional student may be returning to finish an education or to begin a new career. Whatever the circumstances, the nontraditional student is faced with a different set of issues. When brought into the classroom, this perspective provides new insights and ideas that cause us all to reevaluate the meaning of education.

## WOMEN'S SOCCER

After three years of steady improvement, women's soccer coach Jeff Geeter declared the 1992 Lady Panthers "the best team yet". The team finished the season ranked fourth in the nation in the National Association of the Intercollegiate Athletics (NAIA) for team offense with 68 goals in 16 games for an average of 4.25 goals a game. The Lady Panthers displayed an explosive offense and tenacious defense against a tough schedule including several nationally ranked teams. Several team members had outstanding year-end achievements.

Karen Goodman, forward, led the nation in the NAIA in two categories—scoring average and total points. Karen also ranked second in goals scored, seventh in total assists, and tenth in assists average. Brooke Dougherty, a midfielder/forward, finished sixth in the nation in total assists and sixth in assists average. Ingrid Leek, Nicole Hornung, and Lauren Hutcheson were all named to the 1992 NAIA Academic All-America Team. The women's team and Coach Geeter will greatly miss the talents of graduating seniors Krista Drescher, Nicole Hornung and Ingrid Leek.

## MEN'S SOCCER

The 1992 men's soccer team finished the season with a record of 6-10. Although the Panthers faced a challenging schedule which included two Top 20 teams, both the players and coaches were disappointed with the final standings. "We were very inconsistent all year and never really got into a good rhythm," said Head Coach Jeff Geeter. "We played quite well at times, but couldn't maintain it over the whole season. But the guys returning know what it will take to be successful in 1993, and we're all looking forward to next season." Highlights of the 1992 season included a two game sweep in Nashville over Belmont University and Cumberland University, and a 5-1 Homecoming rout of Piedmont College. Seniors Brian Fekete and Chris Selby gave strong efforts all year despite injuries. John Sheffield was named 1st Team All-District in his Junior season.

# VOLLEYBALL

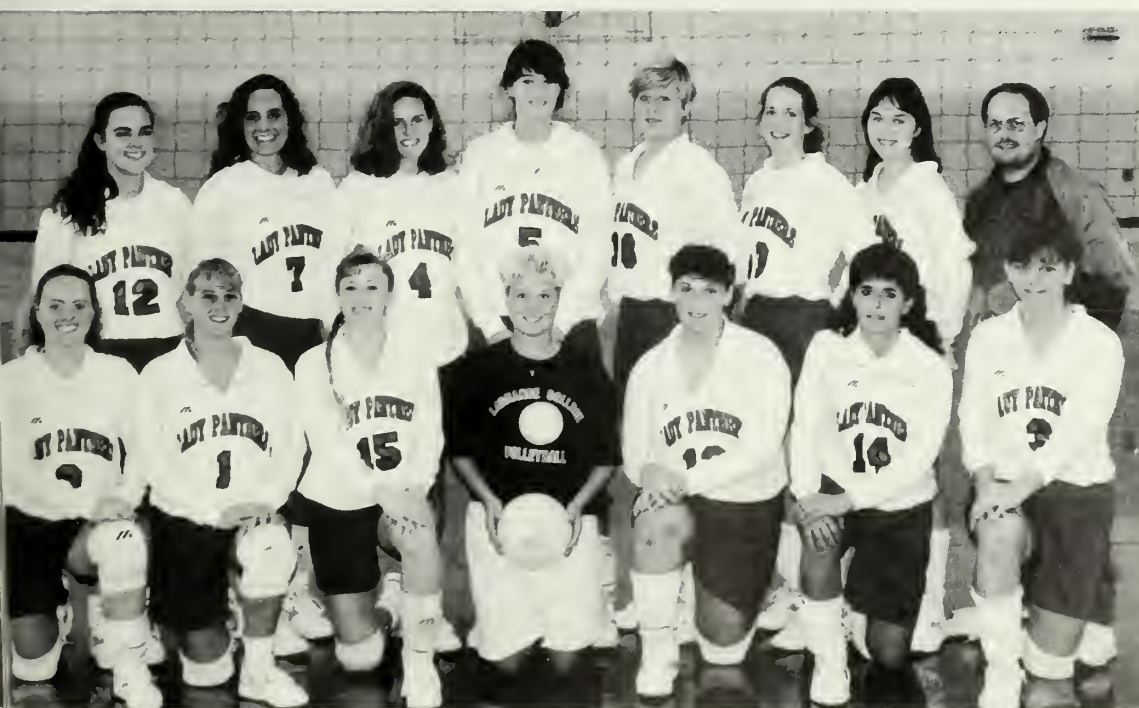

A time of transition best describes the 1992 women's varsity volleyball season. Coach Larry Thompson, Jr. worked intensely with a team of many new members through "one of the toughest schedules in the history of the school." The team members came together to finish the season with a respectable 16-18 record, repeating as NAIA District 25 champions and playing in the Tri-District Tournament

at the University of North Florida. Coach Thompson was named for the second consecutive time as Coach of the Year in District 25 volleyball. Three outstanding members of the team made the All-District Team: graduating senior Maureen Oles, junior Tracy Schuster and freshman Heather Hardy. Tracy Schuster was also, for the first time in La-Grange College volleyball history, named to the All-Region Team.

# BASKETBALL

The 1992-93 basketball year proved to be a banner one for the LaGrange College Panthers. Finishing the season with an impressive 21-11 record, the Panthers earned a District 25 playoff berth for the second consecutive year. With five players averaging double figures in scoring, the team displayed a balanced attack that was high-scoring and exciting to watch. The three-point shot was a valuable weapon in the Panther's arsenal as they rang up the second highest three-point shooting percentage in the NAIA. The Red and Black was led by senior

guard Deante Traylor, a first team All-District and third team All-America selection, who broke the LaGrange College single game scoring record with a 55 point outburst against Selma. The most exciting game of the season was a 65-64 victory over Georgia Southwestern on the road. Despite losing valuable seniors Tommy Anderson and Anthony Arrington, the future for the Panthers looks promising. With returning players Deante Traylor, Laroyd Boyd, Randy Hagerdon and continued fan support, Coach Randy Unger expects another great season in 1993-94.

# BASEBALL

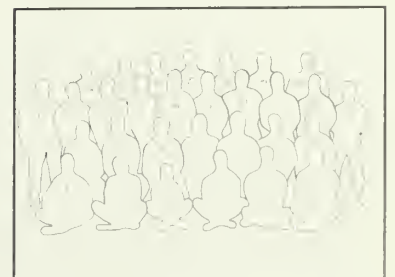

The 1993 baseball season was one of frustration and disappointment. From January into the season, the Panthers lost six pitchers for various reasons. But the 10-45 record is a bit deceiving as the Panthers lost several very close games to some strong teams. Highpoints included defeating Brewton Parker College, ranked eighth in the nation, on their home field and defeating the highly-rated Berry College. A solid core group is returning next year and Coach Phil Williamson hopes to recruit some strong pitchers. Key seniors Joe Jarrett, Mitch Purvis, William Carson, Tim Smith, Mike Shelton and Trey Baldwin will be missed.

# SOFTBALL

The 1993 LaGrange College Lady Panthers softball team enjoyed its finest season ever as they captured the school's first ever women's softball conference championship. Coach Larry Thompson, Jr.'s Lady Panthers finished the year with an overall record of 49-11 and capped the season off with a 2-0 win over North Georgia College to take the Georgia Intercollegiate Athletic

Conference (G.I.A.C.) Softball Championship.

During the 1993 season, the Lady Panthers set over twenty new school and individual records including the most wins with 49 and team batting average at .439. LaGrange College also had to its credit a championship in the Chattahoochee Valley College Invitational Tournament and a fifth place finish in the Gulf Coast College Invitational Tournament.

Graduating senior Kelly Britsky, junior Melissa Rossner, sophomore Dana Lawhon and freshmen Trina Hughes and Jennifer Crockett made the all G.I.A.C. team. Senior Tracye Taylor was named G.I.A.C. Player of the Year as she led the conference in hitting with an average of .575. Coach Larry Thompson, Jr. was named G.I.A.C. Coach of the Year for the second consecutive season.

"This team accomplished something no other team will ever do and that's winning the first championship," stated Coach Thompson. "It was a great year, I'm really proud of all these girls and what they were able to accomplish," he further said. The future looks bright for the Lady Panthers as they lose only four players from this great team.

# MEN'S TENNIS

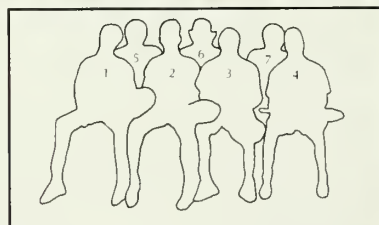

Although the overall record was disappointing, the 1993 LaGrange men's tennis team displayed fine effort throughout the season. Tim Schippmann led the team in victories, followed by Chris Bailey and Scott Hubbard. Robbie Waggoner and Zen Ohashi were competitive in singles and doubles, and Todd Harrison teamed with Schippman for several hard-fought wins at No. 1 doubles. "Tennis is a pretty strong sport in District 25,"

said Head Coach Jeff Geeter. "I was really proud of the effort the guys gave throughout the season." Senior Schippman, named the team's Most Valuable Player, earned the 4th seed at No. 1 singles for the District Tournament and advanced to the semi-finals before being eliminated by eventual champion Berry College. Freshman Waggoner earned the Coaches' Award for his season-long hard work and dedication.

The 1993 LaGrange College women's tennis team worked hard throughout the season and was competitive in many matches. Junior Chris Acquista led the team in victories and was named the team's Most Valuable Player. Allison Weaver and Layla Rentz gave good efforts and were involved in several 3-

set matches. Freshman Robyn Vosbury worked hard to improve and earned the Coaches' Award. Emmie Powell represented the team well, and lost a tough 3-set match at the District Tournament. # INTRAMURALS

Campus Recreation and Intramural Sports (C.R.I.S.) hosted approximately 400 different individuals in three quarters of intramural competition in 1992-93. Independent men's teams won the championship in flag football, basketball and softball thus giving the "Indies" the bragging rights for Men's Intramural Champion. Independent teams also won the title of Women's Intramural Champion with wins in volleyball, basketball and softball. Teams and/or individuals also competed in men's

volleyball, coed volleyball, water volleyball, pickleball, badminton, bowling, golf, tennis, ping pong, 3 on 3 basketball and H\*O\*R\*S\*E. Campus 3 on 3 champions Todd Harrison, Matt Czarick, David Bartley, Trina Hughes, Leigh Tibbitts and Kelly Britsky competed in the regional tournament in Atlanta. Although they did not bring home the championship, both teams represented LaGrange College well. With the completion of the natatorium, C.R.I.S. is planning on an even more exciting year of intramural competition in 1993.
